Apart from formal alumni association meetings, the institution also engages the alumni support in other ways such as collecting suggestions, feedback on existing curriculum, updates on emerging trends, etc through online mode. Our Alumni Association also encourages the students for research activities. Many of our alumni are working in very prestigious positions in the field of business and industry. Alumni Association works to bring together these entrepreneurs in the college and these alumni share their experiences with the students and also encourage the student to do valuable

contribution in their respective fields. Our Alumni Association supports us in financially also. It encourages our alumni to help the institution by donating generously for the infrastructural development of the college. Recently, few of our alumni donated the Water Cooler and some alumni donate Tables and Chairs for college. Our Alumni Association thus plays a very supporting and constructive role in the overall development of the college.

We connect using Whatsapp group, which records and maintain the alumni data at it provides an update of alumni activities and achievements. We are proud of students who are achievers in every field; carrying with them the values imparted by college and are making a significant contribution to society. The activities of alumni association are available on social media at the link:
